Please write in your own words why it is important for you to make and be part of the "MANDELA BANGLE"

It is a great honour for me to be elected and be part of the Mandela Bangle; The Man who didn't want to shine in the limelight but known worldwide. I will feel like a king when I saw prominent people wearing this Mandela Bangle and I will tell myself and my colleagues that I made an enormous contribution and lent a hand on that amazing Bangle.

The Bangle symbolises the struggle that both Black and white sacrificed so much so that we all live together in harmony in a united, Democratic, Non-racial and non-sexist South Africa; like our employer who employed equal men and woman; Orphans, widower and disabled people like the stalward Mandela. I feel so sophisticated to be part of the Mandela Bangle to put numbers, and extremely care!! Siphosiso Mashego.
